You can download the Safer Schools app for free from the App Store or Google Play. Upon first opening the app you will need to either scan a QR code or type in "Onchan School" where you will be prompted to ener the relevant code:

Parent	**Pupil (KS2 only)**
Parent/Carer - Primary Onchan School	Pupil - Primary KS2 Onchan School
Alternatively type in Onchan under "select your school" and enter the passcode – **7440**	Alternatively type in Onchan under "select your school" and enter the passcode – **9342**

From within the app you can access a wealth of detailed information about online games and social media platforms, scams, harmful content and more. Safer school publish regular up-to-the-minute safety alerts and briefings that will help to keep you up-to-date with tips, advice and guidance on how to help keep your children safer online. These can be accessed from within the app, but if you wish to be notified about them you will need to enable push notifications.

Finally, below are some additional useful links to help you help your child to stay safe online

- Advice for parents and carers from **Childnet** (**childnet.com/parents-and-carers**)
- Reviews and infor about games, apps and more **Common Sense Media** (commonsense.org)
- Help on using parental controls and privacy settings from **Internet Matters** (internetmatters.org./controls)
- Information and reporting of online grooming or sexual abuse from **CEOP** (**ceop.police.uk**)
