Swimming

Children will begin their swimming sessions from Friday 23rd September. Please make sure that your child has their swimming kit in each week. Reminder that long hair will need to be in a swimming hat and earrings will need to be taken out or covered with a band.

PE Kits

Please make sure that your child has a PE kit in school. They will be having Andy for their PE lessons during their time in year 5.

Andy's Clubs

Andy's clubs will begin during week begin from 20th September. You are able to sign up to his after school clubs using Arbor.

Outdoor Area – Muddy Monday

On a Monday, we will be using our Outdoor Area behind the school for lessons during the afternoon. We will explore Forest School, light fires and complete other outdoor activities. On a Monday your child is able to come to school wearing Dress Down suitable for outdoor learning. They may get muddy and be cooking using fires so please don't let them wear their best clothes!

Dates for your Diary

19th September – Bank Holiday

23rd September – Year 5 Start Swimming

20th September – Andy's Clubs Start

27th September – STEM FEST Trip

26th-30th September – Active Travel Week / Walk to School

29th September – Whole School Walk

17th-21st October – School book fair

14th December – UKS2 Performance 09:30

15th December – UKS2 Performance 13:30

Home Learning

Home Learning will be uploaded onto Itslearning on their class course that they use in school. This will be uploaded each Friday for those who want to do some extra learning at home. Activities will include prereading extracts for the next week's Guided Reading sessions, spellings and recapping the maths concepts caught in class.

Dates

More information on specific events on the dates for the diary will be sent out closer to the time.

Welcome Back to Year 5!

In Literacy we are going to be doing some learning around books. The books we are going to be learning through are 'The man who Walked Between the Towers' by Mordicai Gerstein and 'Robot Girl' by Malorie Blackman.

In Maths we are focusing on Place Value, working with numbers up to 100,000. We will then be moving onto Addition and Subtraction.

In Topic we are going to be focusing our learning on Food and then Victorians. In Science we will be exploring Human Body/Health and then Light.

Snack/Water

Please remember that your child should have a water bottle in school every day. They also have time for a healthy snack after break which you must provide.
