

## **Phonics**

**a e**

Write down any words you remember that contain this code.

**Task 1:** Spell the words correctly by cutting and arranging the letters.

**Task 2:** Rephrase the clues into sentences containing the answer and write these in your best handwriting.

**EXT:** Create your own cut and stick activity with the words you could remember.

Can you cut and stick the letters to build words with split digraphs?

We all love to eat these!

This can give a nasty bite!

We need this to stick things together.

Always close this when you leave a field.
