

Skill: To explain the meaning of words within the context of the text

LP: Think things through

Northern Lights

Quick Start

1. What is chapter 1 called?
2. What was her daemons name?
3. Where has Lyra always lived? Despite this, where has she never seen before?
4. Why do they have to hide?
5. Who is Lord Asriel?

Vocabulary Check – Can you find out what these words mean?

1. More old **scholars**, probably: **rSobed, bearded and gloomy** they stared out of their frames in **solemn disapproval**.
2. The master's feet became **visible** too, in the **shabby** black shoes he always wore.
3. The butler **bowed** slightly and turned to leave, his daemon trotting **obediently** after him.

Written Answers –

1. Look at paragraph 1. Find and copy a group of words that shows that Lyra and Pantalaimon are not supposed to be there.
2. Look at the paragraph beginning 'behind the chair'. Find and copy two words that show that Lyra and Pantalaimon do not want to be caught.
3. 'What she saw next, however, changed things completely.' What did Lyra see next and why did this change things?
