

**I like** walking, camping and exploring new places. I enjoy spending time with my friends as well as going to the cinema and music concerts.

**My hobbies** also include reading and playing video games. I especially enjoy playing badminton.

**My favourite Disney film** is Pocahontas and **my favourite colour** is purple.

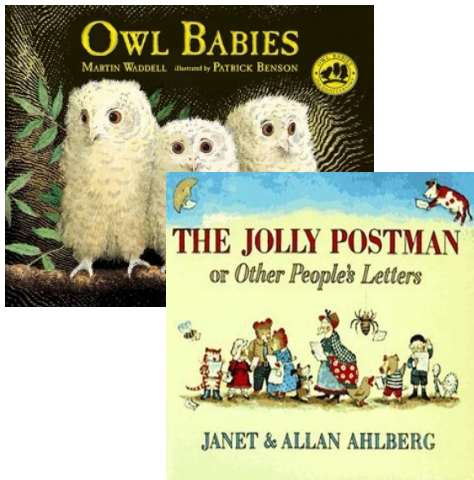

**I don't like** meat or fish as I am a vegetarian.

## Miss Diack

Hello, I will be one of your Reception Teachers in September!

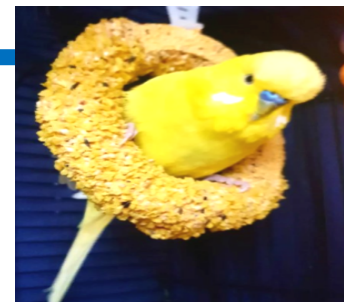

I have been having a fantastic time in Foundation Stage this year and cannot wait to welcome you all.

I am really looking forward to getting to know you and having lots of fun learning, exploring and making new friends together 😊

**My favourite stories** to read are **The Jolly Postman** and **Owl Babies** as they remind me of my childhood.

I have a large (ever growing) collection of story books in class; some of your favourites might be there! I can't wait to enjoy a story with you all.

**My favourite meal** is pizza or pasta! For dessert, I love a delicious Eton mess.

**My favourite animal** is an owl. I also have a fluffy yellow budgie called Bumble. He is 5 years old!
