# History at Onchan

Onchan School Key Drivers

## Outdoor Learning

During the children's time at Onchan, they will visit a range of Manx Heritage Sites.

## Blended Learning

ICT is used to research and record learning throughout the children's time at Onchan

## Big Question Examples

What makes someone heroic?  
What is an explorer?  
Why does war continue?  
How important were women in WW2?

## SDGs

SDGs 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 14, 15, 16

## Intent – What are our aims?

At Onchan School, we aim to: promote learning, personal growth and development through our History Lessons. Our lessons inspire pupils' curiosity to know more about the past and how this impacts on our lives today. Teaching should equip pupils to ask perceptive questions, think critically, weigh evidence, sift arguments, and develop perspective and judgement.

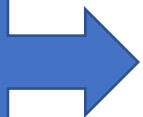

## Implementation – How are we working towards our aims?

At Onchan School, in our History lessons, we focus on building the children's basic historical knowledge and skills. We plan lessons that consider children's learning and what they want to know. Our History lessons focus on the progression of skills and knowledge. We plan lessons. We include Manx historical links in our lessons. The progression of skills between phase groups is shown on our curriculum.

## Impact – How do we know when we have achieved our aims?

At Onchan School, we see high levels of engagement, enjoyment and enthusiasm during their lessons. At Onchan School History provides children with a sense of identity, empathy, and critical thinking skills. During our post learning discussions, we will discover what new knowledge the children have gained. Children will be able to speak confidently about historic events and how they impact the world today.

Extra Opportunities at Onchan

At Onchan School we embrace the wealth of Historical sites we have on offer on the island. We attend and promote Manx Heritage activities and events, as well as engaging in those workshops which support the learning happening in school.
