Welcome Back to Year 4

We hope you have all had a lovely holiday and we are looking forward to making more memories in the children's final term of Year 4! We are very excited to welcome Miss Hamer to our team and look forward to supporting her with becoming a teacher.

Teams-

We are still using Teams to share resources with the children, for use both in the classroom and at home to consolidate learning.

Reading -

Within class the children are still taking part in a Whole Class Reading approach. The children still have a reading journal to continue practicing their reading and comprehension skills at home.

Spellings/Times Tables -

Weekly spellings and times tables practice still take place within class. However, it is essential that the children continue to consolidate these at home. As teachers we are monitoring their achievements on Spelling Shed, Mathletics and TT Rockstars.

Titanic (Summer 1)

Our learning focus for this half term will be The Titanic. We will be looking at the timeline and journey of the Titanic, creating fact files, exploring passengers and what life was like on the Titanic.

Year 4 Team

Mrs C Callister - LKS2 Phase Leader/Fennec Foxes' Class Teacher

Miss Carter - Llama's Class Teacher

Mrs Walker - Educational Support

Miss Hands - Educational Support

Miss Hamer - Student Teacher

PE Kits

Please ensure that your child has the appropriate, named PE kit in school every day. This should include both an indoor and outdoor kit, with appropriate footwear.

Healthy Snack and Water

Please remember that your child's snack must be of a healthy nature (eg: piece of fruit or a cereal bar). They should also have a re-useable, named water bottle in school every day. No juice please!

Outdoor Learning

Our outdoor learning sessions will still take place on a Monday, so children can come into school wearing their 'muddy clothes' on this day each week. Old shoes/wellies would be beneficial.

Sports Day

Sports Day will take place on Tuesday 27th May. In the morning the children will be taking part in activities led by staff focusing on teamwork and developing their PE skills. In the afternoon, parents are invited to join us in celebrating the children's courage and resilience during their sports day races. More information will follow.
