22nd September 2022

Dear Parents/Guardians,

Year 4 will be visiting the Manx Museum on **Wednesday 12th October** as part of our Science learning this half term. We will be taking part in the 'Geology of Mann Workshop', which links to our learning about the skeleton, bones and how animals and humans move.

Miss Harrison's Class will be attending the morning workshop and Mrs Callister's Class will be attending the afternoon workshop. We will be travelling by bus. The children are to wear their school uniform and will also be having their lunch at school as normal.

The cost of this workshop, along with our bus travel is **£6.50** per child. We will be collecting money via Parent Pay. Please log into your account and if you have any problems contact Ms Conmy at the school office.

If you have any questions please do not hesitate to get in touch.

Thank you for your continued support,

Mrs Callister & Miss Harrison
