12th May 2023

Dear Parents/Guardians,

LKS2 Sports Day is taking place on **Wednesday 24th May**. We have planned a full day of sporting games and athletics for the children to take part in.

During the morning, we will be focusing on athletic field, throwing events and team games, which is part of our ongoing P.E. curriculum.

During the afternoon we would love for you to join us, on the school field, from 1.30pm, for our traditional sports day events, which will include; sprints, skipping, an egg and spoon race, an obstacle course and relay races. The winners of each race will be awarded 1st, 2nd and 3rd places. The children will also finish the afternoon with an optional distance fun run around the field.

As the full day is being used for sports, the children can come into school wearing their sports kits. Please also make sure that they have their named water bottles in school to take outside with them.

While we have our fingers crossed for a warm day, in the event of bad weather, we will make a decision at 11.00 am which we will post on dojo for you. At present we do not have a back up date but this will be after TT and we will let you know in due course.

Children will come into school after the event and will be collected/ walk home, at the usual time.

Please ensure that if the weather is warm that you have applied sunscreen to the children before school starts in the morning.

The children will be in their class groups during the afternoon, for safety reasons please stay behind the track area and do not come onto the middle of the field.

We look forward to seeing you all,

LKS2 Team
