Home Learning

Please can we ask that you focus on Reading, Phonics and Mathletics for home learning during this term. We will be starting our new Year 2 Phonics Codes and Phonics Logs will be coming home every Friday, and will need to be handed in the following Thursday. Our next topic is **Explorers**, so if your child would like to do some research of their own at home we would always encourage this. Remember you can also access our Year 2 Teams page via your child's login to find materials to support their classroom learning.
