Thursday 11th December 2025

Dear Parents/Guardians,

Please find below information regarding some exciting activities that we have planned for the children next week leading up to Christmas.

KS1 Christmas Craft Afternoon

Our annual KS1 Christmas Craft afternoon will take place on **Tuesday 16th December** between **2pm and 3pm**. Entry to school will be via the School Office where you will need to sign in before making your way to your child's classroom. After our activities we will need you to sign out again and meet your child in the school playground as usual for the end of the day.

KS1 Christmas Party

We will be hosting our Christmas Party during the afternoon of **Thursday 18th December**. The children can come into school wearing their party clothes, but please ensure that they have suitable footwear for breaks and lunchtime. To ensure all allergies/dietary requirements are catered for this year, we are asking for each child to bring their own small paper plate of party food to have during the afternoon (up to 3 small snacks is sufficient, as this is also our Christmas Dinner Day). Please ensure that your child's name and class are written on the plate and **no nut-based products are included**.

Polar Express Experience

As a reward for all their amazing learning this term we will be hosting a Polar Express morning on **Friday 19th December** (but Shhh! It's a secret!). The children can come into school wearing their pyjamas/onesies and slippers – once again please make sure that they have suitable footwear for breaks and lunchtime. They may also bring one small extra item (teddy or blanket) if they wish to do so. We will be having hot chocolate and marshmallows as a special treat. Please speak to your child's class teacher if for any reason your child can't have this or you wish to provide an alternative.

We would like to thank you all for your support so far this year and take this opportunity to wish you all a very Merry Christmas and a Happy New Year.

Best wishes,

The KS1 Team
