Welcome to Year 2 Huskies and Flamingos

February 2026 Spring Newsletter

Welcome Back! What an amazing half term we had before the holidays and looking back we managed to fit so much into a short term. Our Roman Day was a super way to consolidate our learning and it was wonderful to see the effort that went into the costumes both on this day and also for Dress as an Animal Day. We also had the Road Safety Team deliver a workshop about Pedestrian Skills. This half term is going to be another busy one with lots to fit in before we break for

Key Dates

Easter!

What's coming up...

23rd February - Back to School/Isle Listen

124th February - STEM Romans Workshop

5th March - World Book Day

23rd March - First Aid Workshop

1st April - Snaefell Trip

3rd - 19th April - Easter Holidays

- Adrian from Young Engineers will be coming in to deliver a final Roman themed STEM lesson for us.
- We will also welcome Steve Heron to deliver some first aid training to the children across the school.
- Our Snaefell Trip will take place in the last week of term (weather permitting) so that we can consolidate our new learning all about Mountains.

Miss Hamer

We will sadly be saying goodbye to Miss Hamer during this half term. She only has a few more weeks until she becomes a fully qualified teacher. She has been an incredible asset to the school and Year 2 in particular this academic year and we will miss her very much. We know that she will be an incredible teacher and hopefully we'll see her again soon. Her last day with us is the 27th March.

Year 2 Team

Huskies Class Teacher and Senior Staff Member - **Mrs Callister**

Flamingos Class Teacher - **Mr Reaney**

Support Staff - **Mr Watterson and Mrs Gleave**

Student Teacher - **Miss Hamer**
