Wednesday 23rd September 2026

Dear Parents and Carers,

As we begin a new academic year, one of our key priorities is to strengthen the partnership between home and school. We firmly believe that when families and school work together, children benefit both academically and personally.

To help us achieve this, we would like to gather your ideas, opinions, and feedback, while also providing opportunities for us to share the thinking behind our school priorities, developments, and decision-making processes. By working together in an open and supportive way, we can build a strong partnership that helps every child to thrive.

To support this initiative, we would like to establish a **Parents' Forum**, with representation across all year groups and the SPC. Ideally, we would welcome more than one representative from each year group to ensure meetings remain flexible and accessible, allowing attendance to fit around busy family schedules.

We envisage meetings taking place once a month in school, either at **9:00am** or **2:45pm**, depending on what best suits the group.

If you would be interested in becoming involved, please complete and return the slip below. We promise that participation will not be onerous; rather, it will be a positive opportunity to share ideas, raise questions, and contribute to the continued development of our school community.

Of course, there will be coffee and biscuits, with the possibility of cake as an added incentive!

Please have a chat with friends and other parents, and consider joining us as we explore ways to make Onchan School even better for our children this year.

Thank you for your continued support.

Yours sincerely,

Mrs Callister
