Adults in School

Parent Helper Guidelines
(in School and during School trips)

Thank you for volunteering to help our children in school. We feel that the involvement of parents in children's education is vital and we encourage active participation in many ways. Some parents come to school to help with a variety of tasks such as ICT, D&T, swimming and especially reading, and usually work with small groups in specific classes. Other parents help when the children are taken on visits outside school. Similarly, some parents like to help in their child's own class and some prefer to help elsewhere in the school. In whatever way parents offer their time, we are always extremely grateful.

The aim of this policy is to give you all the information you need to make your time both worthwhile and enjoyable. Thank you for your support.

At Onchan Primary School we want children to be happy and confident and to develop an enduring love of learning. We believe that *Learning is a journey, to be taken together, one step at a time.*

At Onchan, we aim to develop learners who:

- Are life-long learners
- Celebrate individuality
- Are happy, confident and enthusiastic individuals
- Aspire to do the best they can in everything they do
- Are tolerant and respectful of others
- Know how to be safe

We aim to:

Create an environment, which is welcoming, secure, supportive and fun and where all achievements are valued.

Parent helpers have a valuable role in helping us to fulfil these aims.

Safeguarding

There is now a requirement for schools to carry out a Disclosure & Barring Service (DBS) check for all staff and volunteers who have regular contact with children. All schools need to hold a register of the checks undertaken.

In order for you to work in school as a volunteer, you will need to complete a DBS form (available from the school office). Please be assured that all information will be treated in the strictest confidence and that these checks are done only in the best interests and safety of the children.

When you first start as a Parent helper, you be given a copy of the school's Safeguarding Policy You will be asked to sign to say that you have received and read this.

If a child tells you something that causes you concern, please tell the class teacher or Head Teacher as soon as possible after the disclosure in an appropriate setting so that others cannot overhear.

Security

On arrival at school, please sign in at the office where you will receive a volunteers' badge. You should familiarise yourself with the emergency procedures .

Parent Helper Guidelines

- Confidentiality It is very important that all staff, parent volunteers and other adults working in the school work to a policy of confidentiality. You may see children struggling with work, be upset or misbehaving or hear/see other information concerning a child while you are with us in school. It is vital that you do not share anything about specific children with friends or family or a child's parent if you know them. The teachers here have the responsibility of informing parents of any concerns about a child.
- Volunteers working in classrooms should do so on the understanding that they support the teaching staff and will not pass opinion on such matters as discipline or teaching styles outside the school.
- Volunteers in school are asked not to use the time to deal with issues regarding their own children. If you wish to speak to the class teacher or another member of staff, you should make an appointment in the usual way.
- Volunteers are respectfully asked that they dress appropriately for being in school.
- We ask that you do not post on Social Media information about the school. Please leave this to the substantive staff working in the school.
- Please do not worry about your child's behaviour while you are helping as often

he/she will behave quite differently if mum/dad is there. Most children soon get used to their parent helping in class and settle down after a few weeks.

- Please don't have favourites – as humans we are drawn to certain individuals but it is important that all children in school are given equal time and attention.
- Please encourage the children to be independent - we expect children to try everything themselves before we help them.
- Please do not lift, carry or move a child in any way.
- If you are unable to be in school, please let the class teacher know either in person or by telephoning the office.

Tea/coffee arrangements

There are tea and coffee making facilities in the staffroom. Please remember that if you use the staffroom everything that is discussed in there is confidential. Teachers and Support staff need a time to relax and it would be unrealistic to expect them not to discuss things which have happened during the day. We ask that you respect this.

Guidance for Volunteers for School Trips

These guidance notes have been written in conjunction with the school's Policy on off-site visits. If you have any questions about a school trip, please see the class teacher. We do appreciate your help on school trips – it would be difficult to organise visits outside school without parent volunteers.

- Parents may not always have their own child in their group.
- The teacher will give parent helpers a list of children for whom they are responsible.
- All children are told that they must stay with their group and the group adult at all times.
- If the trip involves a coach journey, please help the children in your group to put on and fit their seatbelts. Children are not allowed to eat or drink on the coaches. The class teacher has sick bucket/bags, if needed.
- The class teacher is responsible for ALL first aid and medication.
- The class teacher leads the rules, routines and expectations for the day. Please help the teacher by ensuring your group follows all instructions e.g. when to eat and drink.
- If there is a medical or other emergency, let the class teacher know immediately.
- The class teacher is responsible for contacting the school in emergency situations.
- If you need to leave your group for any reason, please inform another adult.
- If appropriate, children will be permitted to bring their own money on the trip. This should not be supplemented in any way nor gifts bought for individual children or groups.
- Parent volunteers are asked to keep the same degree of confidentiality as in school.

If you have any queries or problems concerning the trip, please direct these in the first instance to the class teacher, or if you would rather, a member of the school's Senior Management Team on your return from the trip.

Thank you!

In case we forget to say, please be assured that we really do appreciate your help (we may sometimes forget because we are so busy but we do).
