ay

On Monday we introduced the new digraph /ay/.

This is called an alternative digraph as we already know another way to make this sound.

We have already learnt /ai/.

Brilliant! Now can you read my postcard? You might need a grown up to help you as there are some tricky words!

Afterwards can you find the /ay/ words?

Dear Fay,

There was such a big delay when I went on holiday to Norway. My ticket was for Saturday but I had to wait until Sunday.

I checked the flight on the display and it said 'DELAYED' in big, red letters. I had to stay in the airport overnight, so I lay across some chairs and played with my crayons.

Sway Airways felt bad for the delay and said I did not need to pay and I got a free tray of food on the way to Norway. Hooray!

Did you have a good birthday yesterday?

Super! Now try to test your skills on our favourite game. Make sure you click on Phase 5 and click on the /ay/ button!

Now I want you to try and write some /ay/ words. Make sure to sound them out to your grown up. You can print the page or use your own piece of paper and draw your own pictures. You could extend this by putting your words into a sentence.
