---

---

4. Why did Max gasp at the end of the story?

---

---

5. What do you think happened next? Make up some more of the story.

---

---

---

---

---

### Notes for teachers

Read the passage through with the children and help them match the questions to the appropriate part of the text to find the answers. The final question requires the children to think creatively. Encourage them to imagine that they are Max riding on a horse that is moving very fast through the air. What does it feel like? What can they see? Why do you think Max is leaving? Where do you think he is going?
