

Max and the horse

Name: _____

Date: _____

Write a full sentence for each answer.

1. What was the name of the boy in the story?

2. What did the horse ask the boy to do?

3. How did the horse help the boy to climb on?

4. What did the boy hold on to?

5. Where did the boy sit?

6. Describe how the horse was moving.

Notes for teachers

Help the children to compose sentences to answer the questions, encouraging them to say the sentences out loud before writing them down e.g. for question 1 many children are likely to produce an answer such as: 'The name of the boy was called Max.' Saying it out loud will help them to realise that a more appropriate answer would be either of these: The name of the boy was Max. The boy was called Max.
