

"In the town itself, actually within sight of the house where Charlie lived, there was an ENORMOUS CHOCOLATE FACTORY!

Just imagine that!

And it wasn't simply an ordinary enormous chocolate factory, either. It was the largest and most famous in the whole world! It was WONKA'S FACTORY!"

Design Your Own Chocolate Factory!

Use your imagination to make a chocolate Factory of your own with whatever you have at home. (use these pictures for ideas)

You could draw, paint, use clay, collage, make a 3D model with boxes/ recycling materials or represent the Factory in another way.

What will you call it?

Take a photo and post on Class Dojo or save your work until we get back to school!
