

Follow this link to explore the Beach Buddies website:
<http://beachbuddies.net>

Why is it so important that we keep beaches clean? Can you use your research skills to help you find out more about the problems that can happen as a result of litter on our beaches?

Here are some other sites that you might like to check out :

YOUR TASK

Can you create a poster, to encourage others to behave responsibly when visiting our beaches?

Your poster should:

- *Be eye-catching
- *Explain the reasons why we should act responsibly
- *Give examples of unacceptable actions or behaviour at the beach
- *Give people examples of ways in which they can help to protect our beaches/ sea creatures

Good luck, and have fun!
