

QUIZ TIME!

Do you recognise these
beaches of the Isle of Man?

Answers:

1. Peel
2. Laxey
3. Douglas
4. Port Erin
5. Garwick
6. Fenella
7. Derbyhaven
8. Ramsey
9. Niarbyl

What wildlife have you spotted when you have visited these locations?

Why do you think these plants and animals live in that habitat?

Explore the Wildlife Trust's website, to take a closer look at the life that surrounds us on and around the island's coastline.

Now choose one of the local creatures we have spoken about, and draw a careful sketch, labelling the important parts of its body.

THEN

Write a short paragraph about the creature, including information about its body, habitat and diet.
