The Isle of Man is rich in folklore

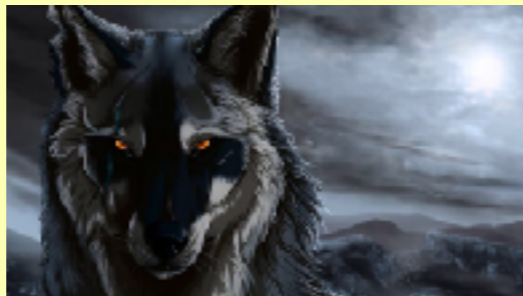

There are strong Manx beliefs about how we earn ourselves good or bad luck. Can you think of any?

There are also famous tales of fairies and other mysterious creatures, some of them very frightening!

One of the most well known tales is that of the Moddey Dhoo, of Peel Castle.

Be warned- it is a little scary!

In small teams, can you re-enact the story of the Moddey Dhoo?

Think very carefully about how each character might feel, and try to show these feelings with:

- *Your words
- *Your voice
- *Your actions
- *Your facial expressions
