

Today's home learning with Mrs Hanbidge is spellings.

Hi Everybody,

How you all doing? I am missing you so much. Can't wait to see your smiley faces and have our little chats. I hope you are all staying safe. It is very important that you keep up with your spellings so you don't lose all the hard work we did together before school closed.

I have put some spelling lists together so you can practice at home. Some we have done before but its good to go over to see if you have remembered them. Choose one list each week.

Step 1. **Read**

Step 2. **Copy** write it down

Step 3. **Write** Cover the spelling and write it down again

Step 4. **Write a short sentence** for each of the spellings.

Step 5. **Get an adult to test you.**

Step 6. **Keep your work to show me when we return to school**

Let's start with split digraphs

split digraph.

a -e

shapes
flake
chase
shade
grapes

split digraph

e-e

concrete
theme
these
even
scene

split digraph.
