

Mrs Hanbidge's Spellings made easy
Fun Activity to spell even the hardest words

Before school closed I showed you a couple of easy ways to remember hard spellings.

If you have your reading record book at home with you. Look at the front of it there is a list of words you have been learning to read

Use this list not only to read but use as your spellings check list.

Highlight them if you can read, spell and write them. (get an adult to check)

Any spellings you are finding tricky make rhymes up!

Lets have some fun and make some new silly ones.

Choose a word you keep on spelling wrong likewouldn't their people

wouldn't. what orange usually looks dirty not tasty

people. people even old people like elephants

their the hippo empties its rucksack
