

Mrs Hanbidge's Phonics Group Activity

Hi everyone. Here is a quick five minute phonic activity for you to refresh your sounds and it will help you with your spellings.

Phase 5 phonics sound mat with pictures is to help you say the sounds right.

These are the sounds we were working on together before school closed.

You were almost there but lets see what you can remember?

I would like you to draw a line from to a picture to the correct word / spelling.

Be careful! Use the phase 5 mat to help you.

Say the word slowly -----stretch it out!

Listen to the sound!
