

## Mrs Hanbidge's Home learning Literacy Comprehension 4

Hi everyone.

Here is another story and questionnaire worksheet for my group.

I hope you like story. See if you can find your names in it.

Here goes!

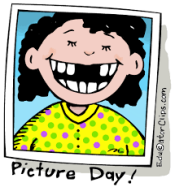

Step 1 ..... Read the story carefully and slowly.

Step 2 ..... Answer the questions writing them down in full sentences.

Do you remember that was the tricky part. Don't just put the answer in.

Step 3.... Remember to skim and scan the paragraphs (look through the story for answers. Don't give up all the answers are there).

### Year 3 Class Photo Shock

Year 3 stared at the large envelopes in their teachers hands. The school pictures were here. All of the children had been so excited the day they had their pictures taken.

Bella, Bradley, Logan and Joseph had just had new hair cuts. Sophia and Ava's mums had even let them wear earrings on the day of the photo shoot.

Now they could all finally get to see how the pictures turned out. "When you get your envelope, there should be a copy for our classroom display board" said Mrs Callister. Mrs Callister and Miss Wooding both had a Wall of Fame board and every year they posted pictures of their pupils and had them sign their names underneath their mugshots.

"Retakes are on Wednesday," said Miss Wooding. Retakes? Shane, Charlie, Alessia and Layla panicked, in-fact all the children panicked! How awful could their photos be? They took a deep breath and lifted one corner of the envelope. All they could see was their hair. Nothing wrong there. No stray pieces standing on end or anything like that. They raised their envelopes a little higher, and then they saw it. Their eyes were half-closed! they both slammed their envelopes back down before anyone else could see.

Q1. Where did Mrs Callister and Miss Wooding put the copies of each children's photograph in their classroom?

1. Which children wore earrings on the day of the photo shoot?
2. What was wrong with all the children's class photos?
3. What day was the retakes?
4. What is the word in the story that tells you the children's faces were the only part of them photographed?

REMEMBER TO ANSWER ALL QUESTIONS IN FULL SENTENCES
