1) This table shows how many books the children at Twinkl Academy read in each term.

Class	Autumn	Spring	Summer		
Class 1	25	22	23		
Class 2	19	24	20		
Class 3	21	24	18		
Class 4	30	28	31		
Class 5	25	26	25		
Class 6	17	22	30		

Class 4 read the most books overall. I know that without working out what the total is.

Ann

a) Do you agree? Explain why.

- **b)** What questions could you ask about this data?
- c) Work out the answers.
- **d)** Ask a friend your questions.

1)	This table shows how	manu times the ch	ildren went to after s	chool club during the year.
