

Concept: Length and Perimeter

Skill: I can measure, compare, add and subtract lengths (m/cm/mm).

SMALL STEP: Measure Length (PS)

1. This sofa is 3m and 50cm long.

Can you find 5 objects in your house or garden that are shorter than the sofa and 5 objects longer than the sofa?

Write the measurements of the objects carefully in cm and the nearest 5mm.

Measurements

2. This toy rocket is 20cm and 4mm long.

Can you find 5 objects in your house or garden that are shorter than the rocket and 5 objects longer than the rocket?

Write the measurements of the objects carefully in cm and the nearest 5mm.

Measurements

Now can you order the measurements from shortest to longest?
