

**Concept: Length and Perimeter**

Skill: I can measure, compare, add and subtract lengths (m/cm/mm).

SMALL STEP: Measure Length (PS) - PURPLE

1. This needle is 6cm and 2mm long.

Can you find 5 objects in your house or garden that are shorter than the needle and 5 objects longer than the needle?

Write the measurements of the objects carefully in cm and the closest 1mm.

Measurements

2. This man is 1m and 76cm tall.

Can you find 5 objects in your house or garden that are shorter than the man and 5 objects longer than the man?

Write the measurements of the objects carefully in m and the closest 1cm.

Measurements

Now can you order the measurements from shortest to longest?
