

**Skill:** I describe different points of view on an environmental issue

**Power:** Think things through

**Activity:**

<https://www.youtube.com/watch?v=J2BKd5e15J>

In groups of 3, create a keynote presentation selling a trip to the Great Barrier Reef. You will then present them to the rest of the class. You have been asked to create an information leaflet that outline the threats to the Great Barrier Reef.

**SC:**

- Clear introduction slide
- Pictures
- Relevant fact – Where? Size? Etc..
- Information on the Reef – be selective! You don't want it to be boring
- You it is a good place to visit
- Clear and neat presentation – Think! Do you want it to be too wordy?
