

# Identifying an adjective in a sentence.

An informative PowerPoint about adjectives.

# Adjectives

An adjective is a word that describes a noun (naming word) in a sentence.

For example:

A tall building.

The slug is slimy.

# Adjectives

Adjectives can be used to describe all sorts of things.  
Which adjective would you choose to describe this valley?

The \_\_\_\_\_ valley.

# Adjectives

If an adjective is a word that describes a noun, find the adjectives and nouns in these sentences:

The house was spooky.

The dazzling fireworks exploded.

Tim was so tired.

# Adjectives

If an adjective is a word that describes a noun, find the adjectives and nouns in these sentences:

noun

adjective

The **house** was **spooky**.

The **dazzling** **fireworks** exploded.
